

Dear Potential Volunteer,

**I AM SO THRILLED THAT YOU ARE CONSIDERING SERVING IN OUR STUDENT MINISTRY!**

We are always looking for individuals who can contribute to youth ministry! Here at the Vineyard, we believe that solid ministry comes out of a close relationship with God and a rootedness in Christian community. We can't stress enough that as individuals we have little power to offer without the person of Jesus living in our lives. A lot of a ministry's success is dependent upon the quality of its volunteers. So, this packet and interview process is a means to get to know you and your journey with God. Also, we hope it allows you to know more about us.

After completing the packet, we invite you to come and observe a program to get a feel for this ministry with the students and other volunteers which it involves. After your visit, we can set up a time to meet and discuss your involvement and any questions you may have.

Thanks so much for your interest and your heart for students. I am truly convinced this can be one of the most rewarding areas in the church to serve. It requires diligence and consistency, but as we sow into students' lives, we'll see a harvest from God.

Thanks!
